### INSTRUCTIONS

**9th, 10th Grade Courses:** enter past and current courses in each subject area.

**IB Course Sequence, HL/SL:** Enter the SIX desired IB Course Sequences and whether they will be taken at a high (HL) or standard level (SL). Refer to IB Courses—High/Standard Level Offerings sheet for HL/SL options.

*(These should be the sequences the student desires for determining the diploma—See Guidelines to the right.)*

**11/12th Grade Courses:** For each sequence choice, use the subject flowcharts in the IB Curriculum Guide, and identify the specific courses to be taken in 11th and 12th grades. **Make sure prerequisites are met for each!**

**Make sure all State and OCS and Graduation Requirements are met!**

\* During the 11<sup>th</sup> and 12<sup>th</sup> grade year the 6th Subject MUST be chosen from Music, Visual Arts, Physics, Global Politics, or Psychology options. During the 9<sup>th</sup> and 10<sup>th</sup> grade year an MYP prescribed subject must be selected (PE, Visual and Performing Arts, or Technology).

### IB DIPLOMA GUIDELINES

1. 6 IB Course Sequences (and exams) must be taken, one in each IB Subject Group, and can be taken only during the 11th and 12th grades.
2. Only 3-4 HL course sequences can be taken for the Diploma, and tested by exam. (HL sequences are two years long.)
3. At least 2 SL course sequences must be taken for the Diploma. (SL sequences can be one or two year sequences as dictated by course selected)
4. During the junior year, a maximum of 2 exams can be taken, and they must be SL options.
5. No more than 6 exams can be taken *for determining the diploma*. **Additional IB course sequences/exams may be taken, resulting in IB certificates only for these.**
6. The 6 course sequences/exams that are desired for determining the Diploma must be identified by the student in the fall of senior year.
