PARENTS AND STUDENTS:

- Before turning this form in, make sure each block has a class selection.
- Student schedules will be based as closely as possible to student requests. Alternates may be used if there is a scheduling conflict. If you list a class as an alternate, you may get the class, even if it's the 4th listed, so choose wisely. Requests are not guaranteed. Next year's class schedule is created based on these course requests. Therefore, you are making a commitment to take these classes and are expected to uphold that commitment.
